## Questions to Ask Employers

---

- What is the hiring process like for newcomers to Canada?
- How has COVID-19 affected your organization? Will I be working from home or will I be working in the office?
- How can I improve my chances of receiving a job offer?
- What is your favourite part about working at your company and what do you find most challenging?
- What characteristics are you looking for in an applicant?
- What makes you different than other companies in your industry?
- What is your organizational culture like?
- What are the key responsibilities of this position?
- How does this position fit into the company as a whole?
- How would you describe the ideal candidate?
- Can you describe a typical work day, or week, for this job?
